**RE: Supporting A Tournament for Emily - App Download & PrimeHydration**

Participating Teams & Coaching Staff,

PrimeTime Sports is honoured to support this year's Tournament for Emily. This event carries deep meaning, and we are grateful for the opportunity to contribute to a tournament that raises money for cancer research and supports families affected by this disease.

As part of our support, PrimeTime is providing the tournament schedule and live results through our PrimeTime app. Each team will also receive a complimentary case of Prime Hydration during the event.

**Download the PrimeTime App:**

The app will contain all game times, court locations, and real-time results throughout the weekend. We recommend that coaches, parents, and players download it ahead of time so they are fully up-to-date.

We are truly humbled to play a small part in this meaningful tournament. Wishing everyone a great tournament!

Thank you,

**PRIMETIME**
